JUST FOR KIDS

Doctor Drill N' Fill

GAG GIFT

Socks

If you wanna be *that* person who gives socks as a Christmas present, why not do it with one of many tooth-themed pairs available on Amazon.com? Prices range from about \$5 to \$20.

CHARITABLE

DonateAToothbrush.com

Donate a Toothbrush collects new, unused toothbrushes (*not* electric, battery-operated, or disposable) to send to children around the world. For the cost of a basic brush at your local store, you can improve someone's dental and overall health.
