The Man Behind THE MASK

You know him as the guy who always tells you to brush your teeth, but there's so much more to our very own Dr. Tao Sun than the face mask and lab coat.

Dr. Sun was born in Taiwan, the first of three brothers, and his family relocated to California when he was 13 years old.

He went on to obtain a Master of Science Degree in Engineering from the University of California, Irvine, but soon realized he wasn't interested in that subject and instead went back to school for a Doctor of Dental Surgery degree from the University of California, Los Angeles.

In 2002, Dr. Sun opened his first private practice in the Spring Valley Lake community of Victorville, Calif. The office relocated to its current location in Apple Valley in

Dr. Sun and his wife, Natalie, in Taiwan in 2010.

2014. Dr. Sun also opened a practice in Costa Mesa and continues to split his time between the two locations.

Despite the distance commuting back and forth from his home in Tustin several days a week, Dr. Sun always goes home to his family – Natalie, his wife of 20 years, and 17-year-old son, Ethan. Their family also includes two dogs, one cat and a turtle.

Ethan is a member of the national Poomsae Tae Kwon Do team, and travels around the world for tournaments.

When not traveling to support his son, Dr. Sun also enjoys traveling to a variety of other locations, especially Hawaii and Costa Rica.

Closer to home, his hobbies include bicycling, gardening and rooting for the Los Angeles Lakers.
