Introducing

LINDSAY LIU

Registered Dental Hygienist

Lindsay graduated from Loma Linda University School of Dentistry, receiving her B.S. in Dental Hygiene in 2012.

She hails from Big Bear Lake and fell in love with Orange County when she first studied piano at Cal State Fullerton.

Lindsay is known for her gentle touch and caring and calm chair-side manner. Years of piano practicing provided her with the skills to be gentle yet thorough with patients.

She has a passion for her job and a passion for dentistry.

“I feel very accomplished when my patient walks out of here with a great smile and

I know it was a pleasant experience for them.”

Lindsay is an avid classical and contemporary pianist. She is also fluent in English and Chinese.

She is certified in scuba diving and has tried skydiving. The verdict is still out on

taking lessons. Being from the mountains, she is an accomplished snowboarder.

She loves adventure, travel and most of all, her wiener dog, Max.
